BLESSED BE THE NAME OF THE LORD

Hello Friends & Partners,

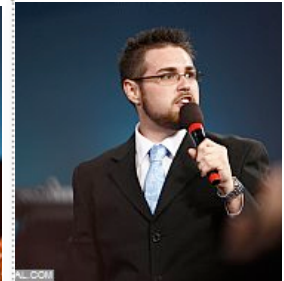

Something is moving, something changing. I can see His Glory. Feels like Heaven on Earth. God is moving, seasons are changing and lives are changed forever! I had the honor to speak and proclaim the good news of Jesus Christ to the nations of the world in one meeting. The meeting the live around the world on the CTN network. In a three hour block on live television, we seen over 498 decisions for Jesus Christ made, 80 people filled with the Baptisms Holy Spirit and 61 people healed from a sickness of some sort. Altogether we seen over 1854 calls made to the ministry that night for prayer. What an amazing service that I believe touched this nation and the nations of the world in a powerful way! Want to Thank Pastor Rodney Howard-Browne for asking me to come and be apart of the great awakening broadcast. I'm headed Killeen, Texas as I write this for an campmeeting I'm speaking at for three services. Believing God for amazing things to take place and for lives to be changed. Then I'm back to Florida for a week and then off to Corbin, Kentucky again for another powerful Revival. November is going to be a busy month as well. Going to Finland for our Conference that we are holding and I believe God is going to shake FInland! I haven't felt what I feel right now. We are on the edge of one of the greatest moves of God the world has ever seen! Are You with me?

Fire of The Holy Ghost Falling!

ASKING GOD FOR 100 NEW PARTNERS THIS MONTH!

We are at a time where we need to run with the Fire of God like never before! As you can see, we are not a ministry that is sitting around and just talking to a hand full of people but we are a ministry that is ministering to tens of thousands of people every month around the world in some way or another. The ministry is in need of almost 20,000 dollars a month and that's not even counting the extra things we do outside of the states. I'm wanting to pay for the crusades up front because I don't believe in putting a ministry in debt. We must get the gospel out for people to know that God loves them and has a great plan for their lives. We also would like to send some students to bible school for 9 months and then send them to preach the gospel in places across the states. It all takes your help. Please pray and consider giving on a monthly bases and help me spread the good news to all the world. you can give every month online or you can mail your checks to the PO Box below. It's easy and safe. Also I want to thank you for stepping out of the boat with me if you are already a partner and if you are considering being a partner with this world-wide ministry that is

shaking nations. If you didn't listen to the voice of God, this would not get done. That's just the facts. Again, Thank You for sowing into the Harvest of Souls. We love you and pray for you daily.

No Matter Where You Are!

In the midst of trying and difficult times, have you ever asked God, "Why am I here?" or "What is my purpose?" It is quite possible that you may have raised these questions while things were going seemingly well. No matter where you are in life right now, know this: God put you on this earth to fulfill the promise He has predestined for your life.

God is not a man that he should lie, If He said He was going to do it, then nothing to worry about. God is going to do it! Hold strong and fight the good fight of Faith! I know many of you have needs and you are believing God just like I am. We wouldn't need faith if we knew how everything was going to go. We are people of Faith! We do not give up or give in. We trust our God that He will pull through for us every time. I'm praying for you and trusting God with you for a Great harvest in your life. Blessings
