Dear Friend & Partner,

Urgent Request!!!

Hope you are well and blessed! The reason why I'm writing you this letter is because I felt it's important to come to you in this time of need. This is not just the ministry the Lord has given me, but the ministry the Lord has laid on many of your hearts to support on a monthly bases and sometimes just a few times a year. I'm getting ready to leave for Helsinki, Finland for a mighty move of God's Spirit and to see many souls come into the Kingdom of God. Jesus gets all the Glory and the Honor for every single miracle, healing and salvation. Now because of some of our monthly partners that have dropped us because of hard times or they just didn't feel like they wanted to continue supporting the work of this ministry. I'm asking that our friends and Partners would please pray and consider helping get the gospel out in such a time where it is needed the most. We are only a few thousand short of where we need to be this month, it's really not that much at all, but it's important that we get it to do what the Lord is called us to do. I believe you will look at this as opportunity to be a blessing and reach out to a lost world. Stand firm with me friend and let's see the nations of the world shaken by the mighty Hand of God! All you have to do is go to www.brandonspiker.org and give online. just follow the instructions on the online giving page. Very easy to do. Please send your gift no later than the 14th or this month. Thank You again so much!

Please understand, I wouldn't be writing you this if it wasn't an absolute thing that we needed. I have been honest and trustworthy with every penny given, and I need your help now. thanks you so much for your support in the past and you support in this time of need. Blessings to all

Yours for the Harvest,
